Return conditions

We always guarantee the best quality. However, returning items is of course possible within 14 days. Please keep in mind the following things when returning:

1. Products / parts that are being returned must be delivered complete and undamaged.
2. The products / parts are to be returned in their original packaging / state.
3. Exchange or refund is not possible in case of:
 - damaged original box
 - tape and / or stickers on the original box
 - writing on the packaging
 - torn or missing film
 - soiling or scratches on the product

Keep in mind!

To ensure fast processing of the return shipment, we kindly ask you to fill in all data clearly and to send this form along with the return shipment. Only fully completed forms will be processed.

You are responsible for the return shipment. Please keep the Track & Trace code safe.
